# PARKING INFORMATION

## COHATCH PARKING LOT

COhatch has a small private parking lot located along the West and South sides of the building. Spots here are limited.

## STREET PARKING

Most street parking in the surrounding area is free without time-limits or need for a parking pass, except for on Grandon Ave. However, parking on the south side of Main St. ends at 4pm, and you will be promptly towed if your vehicle is left there beyond that. Pay attention to nearby signage.
